COURT STREET MEDICAL PRACTICE | AUTUMN 2026

ARM YOURSELF AGAINST FLU!

Become a local hero and
get vaccinated this winter!

The NHS will begin
administering vaccinations
from **1 October 2026**.

You can get a free NHS flu vaccination if you
are aged 65+, have certain health conditions,
pregnant, live in a care home, are the main
carer for an older or disabled person in receipt
of carers allowance or live with someone who
has a weakened immune system.

A WARM WELCOME!

We would like to wish a very
warm welcome to three new
additions to our team:

Hayley
Medical Records
Facilitator

Tonya
Receptionist

Amelia
Receptionist

COURT STREET SPONSORS

Court Street Medical Practice is proud to
have sponsored a number of local young
people to go to Arthog Outdoor Centre in
mid-Wales who may otherwise have
been unable to attend. Clive Elliott,
Business Partner, said: "The practice is
very much at the heart of our local
community, and I would encourage other
local businesses to support the young
people living in the local area".

CONGRATULATIONS!

Congratulations to Jess
Carpenter (Advanced Care
Practitioner) and Kobe Ofori
(Practice Nurse), who recently
graduated from the University
of Wolverhampton. We are
incredibly proud of their hard
work and dedication and wish
them every success as they
begin the next chapter of their
nursing careers!

A NEW WAY TO MANAGE REFERRALS

The Referral Management Centre (RMC) will no longer be available from **31st August 2026**. This means there is a small change to how you book hospital and specialist appointments after being referred by your GP.

When your referral has been processed by our secretarial team, you will be notified via text message or phone call. You can then book your preferred location/service provider via the NHS App or directly through your GP surgery.
