A WARM WELCOME TO OUR NEW STAFF MEMBERS

We would like to send a huge warm welcome to **Dr Godden** who joined us as a new GP in **January 2026**. He brings a wealth of knowledge from his experience as an Anesthetic Registrar at the Princess Royal Hospital.

Also joining us from April 2026 is our new nurse **Kobe**! You may have met Kobe as a student at the surgery, but he will be taking on a full-time nursing position with us as he continues to expand on his training.

'IN YOUR AREA', A NEW PLATFORM

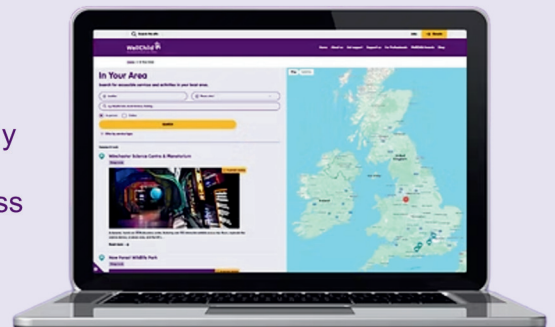

We are pleased to let you know about **In Your Area**, a newly developed platform from **WellChild** that makes it easier for families to find local support for children with complex medical or additional needs.

The platform allows you to:

- Search for local services and facilities using your postcode
- Filter results to meet your child's specific accessibility requirements
- Discover activities, services, and support that are right for your family

It's a free, easy-to-use tool designed to save you time and reduce stress when looking for the right support.

BECOME A MEMBER OF OUR PATIENT PARTICIPATION GROUP (PPG)

A Patient Participation Group (PPG) is a group of people who are patients of the surgery and want to help it work as well as it can for patients, doctors and staff.

What is a PPG?

- Meet regularly (monthly)
- Provide constructive feedback
- Act as representatives of the patient population

What a PPG is not:

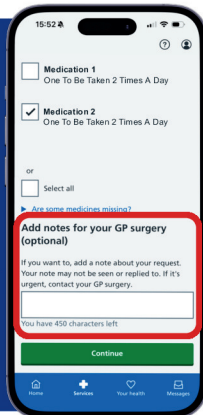

- A PPG is not a forum for complaints
- It is not a vehicle to resolve personal issues

Express your interest: www.courtstreetmedicalpractice.com/ppg

IMPORTANT NOTICE

When ordering medication online, we ask that you do not include medical queries in the notes section.

This section is for notes regarding your medication request only.

My lung cancer was caught early before I had any symptoms
