NOVEMBER 2025

10 YEARS OF COURT STREET MEDICAL PRACTICE

Since opening our doors in 2015, we've been proud to provide quality, compassionate care to our community. This milestone wouldn't be possible without our dedicated team and the patients who make what we do so meaningful. Join us in celebrating this special anniversary and in looking ahead to another decade of supporting your health and wellbeing!

COURT STREET AT THE NURSING TIMES AWARDS 2025

In October, members of our team swapped their uniforms for their smartest outfits and headed to London for the **35th Annual Nursing Times Awards** - and what a fantastic evening it was! We're absolutely thrilled to share that our Practice Nurse and Trainee ACP, **Jess**, was shortlisted as a finalist for the **Nursing in Primary Care Award** with her inspiring project, **"Step Up to Step Down the Carbon Footprint."** We couldn't be more proud of Jess and the amazing work she's doing to make healthcare more sustainable. **Congratulations, Jess - what an incredible achievement!**

A WARM WELCOME

November sees us welcome our newest member of the reception team - **Mariah!** We hope you will join us in giving Mariah a warm welcome as she settles into her role at Court Street.

COURT STREET HEADS TO PARLIAMENT!

As part of our trip to London, we were invited to the Palace of Westminster by **Shaun Davies MP**. We spoke to Shaun about the work we do at Court Street and also gained an insight into the inner workings of Parliament.

COURT STREET WINS EXEMPLARY PRACTICE AWARD!

Court Street Medical Practice was recognised at the **Recovery Conference Awards** as an **Exemplary Practice**. This is a fantastic achievement and belongs to every member of our amazing team.

We were nominated by a prescriber from **Telford Stars**, who said: *"Court Street seems consistent no matter who you see, like it's part of their ethos. When I raise concerns or requests, they always respond ... It appears they do not stigmatise which is refreshing!!"*

A FOND FAREWELL

This November, we will be saying goodbye to Steph as she begins her well-earned retirement. Steph has been an important part of our team for the past 10 years, carefully summarising paper medical records for new patients onto our computer system. **We will miss her greatly and wish her all the best for the future.**
